F. A. Hatt Opens Richfield Station

F. A. Hatt today invited Daly City's motoring public to drive in his new Richfield station, San Jose avenue and Alemany boulevard, and get acquainted.

Hatt just recently took over the station, and in addition to featuring Richfield products he is specializing in washing and polishing, lubrication jobs and oil changes. He handles tires, batteries and other accessories.

The new service station proprietor lives with his wife and son, Kenneth, at 830 San Diego avenue. Kenneth is a sophomore at Jefferson Union high school.

Labors of Hercules

The 12 tasks of great difficulty imposed on Hercules by the Argive king were as follows: "To slay the Nemean lion, kill the Lernean hydra, catch and retain the Arcadian stag, destroy the Erymanthian boar, cleanse the stables of King Augeas, destroy the cannibal birds of the Lake Stymphalia, take captive the Cretan bull, catch the horses of the Thracian Diomedes, get possession of the girdle of Hippolyta, queen of the Amazons; take captive the oxen of the monster Geryon, get possession of the apples of the Hesperides, and bring up from the infernal regions the three-headed dog Cerberus.

Teaches With Films

Pant Pratinidhi, Rajah of Andhra, India, teaches his people with educational films and has made deep breathing exercises in schools compulsory.

REFUGE, though momentary, is found in the company of Joan Bennett by Walter Pidgeon in the new 20th Century-Fox thriller, "Man Hunt," now at the Daly City theatre. Depicting the story of the world's two greatest big-game hunters, stalking their fiercest prey—each other, the picture stars Pidgeon and Miss Bennett. George Sanders is importantly featured.

Over supply of Oil
When there is an over supply of oil in the crankcase the spark plugs are likely to foul quickly and cause the motor to misfire.

Women Healthier
According to medical authorities, women are healthier than men. For every man who reaches the age of 100, eight women attain that age.

Whist to Benefit Homeless Children

El Carmelo Parlor No. 181, N. D. G. W., has completed plans for its annual Homeless Children's benefit whist, it was announced today. The party is to be held Wednesday, October 15, at Masonic hall. Playing will begin at 8:30 p. m., and the public is invited.

Proceeds from this event go to the fund which is used to carry on the Native Sons and Daughters program of placing children in homes.

Mrs. Florence Flynn is chairman. Assisting her are Miss Julia Steele, Miss Barbara Vernengo, Mrs. Alice Oldham and Mrs. Rena Mathias. The committee announces cash first and second prizes and numerous other awards.

After the game, coffee and doughnuts will be served at a nominal charge.

More Interest in Sports

Is interest in athletic affairs slackening because of the European war? Not if attendance at baseball games is any criterion. At the Yankee stadium this summer, 84,000 paid to see a game, the third largest crowd in baseball history. And in the Pacific Coast league, Seattle, until June 8, 1941, drew 27,000 more admissions than during the corresponding period in 1939, and Seattle led the league in attendance in 1939. It seems that people want to get away for a couple of hours from the war news in Europe and welcome the opportunity of going to the ball game or playing a bit of golf.

Longest River

The Mississippi-Missouri, generally considered one river by geographers, is the longest in the world. From the fountain-head of the Missouri, in the Rockies on the southwest border of Montana, its total length is 4,221 miles. From the source of its other branch at Lake Itasca in northern Minnesota, the so-called Mississippi proper is 2,553 miles long. The second longest river is the Nile, 4,000 miles from its remotest headstream, the Kagera, which flows into Lake Victoria. The Amazon river in South America has the greatest basin—2,772,000 square miles.

Now Take Fruits & Vegetables
No two kinds of lettuce are exactly alike—No two carrots—No two watermelons—One orange always differs from its mate—And so does every single thing Nature grows.

So The Question Is—
Why aren't all fruits and vegetables priced by the pound—rather than by the piece, the bunch or dozen. Your Safeway has prepared an interesting booklet entitled "You—the Family Purchasing Agent" that will explain why all fresh produce should be sold by weight. Ask for your FREE copy today.

Boston Cream Pie
Broadcast by Mary Lee Taylor,
October 9, 1941

1 cup cake flour 2 eggs
6 tablespoons cocoa 1 cup sugar
2 teaspoons baking powder ¼ teaspoon salt
1 cup Fat Milk 3 teaspoons vanilla
1 cup water 1 package vanilla pudding powder
2 tablespoons butter ¼ teaspoon salt
or other shortening 2 tablespoons powdered sugar

Turn on oven and set at moderately slow (350° F.). Grease deep 9-inch layer cake pan. Sift flour before measuring. Beat with cocoa and baking powder. Heat to boiling point a mixture of ¼ cup milk, ¼ cup water and the butter. Meanwhile, beat egg with rotary beater until very light and lemon colored. Beat in gradually the sugar, ¼ teaspoon salt and 1 teaspoon vanilla. Beat in hot milk mixture gradually. Add flour mixture, all at once, beating quickly but thoroughly. Pour into greased pan. Bake on oven shelf, slightly above center, about 35 minutes, or until cake shrinks from sides of pan. Remove from oven and let stand 5 minutes before turning out. Cool thoroughly. Meanwhile, put vanilla pudding powder and ¼ teaspoon salt in saucepan. Stir in gradually remaining ¼ cup milk diluted with remaining ¼ cup water. Bring to a boil, stirring constantly. Continue stirring and cook 30 seconds longer. Remove from heat and stir in remaining 2 teaspoons vanilla. Cover and cool thoroughly. With sharp knife split cold cake into 2 layers. Spread bottom layer with the cooled pudding mixture. Cover with second layer of cake. Sprinkle top with powdered sugar. Serves 6.
